Message from Pastor Greg: *Re-Membering*

For just as the body is one and has many members, and all the members of the body, though many, are one body, so it is with Christ. For in one Spirit we were all baptized into one body... But God has so composed the body, giving greater honor to the part that lacked it, that there may be no division in the body, but that the members may have the same care for one another. 1 Corinthians 12:12-13,24-25 (ESV)

In times of conflict, as seem to be more common in these days of partisan politics and 24/7 news cycles, the Church has an important role to play as a body of diverse people who nevertheless by God's grace are able to establish and maintain unity. The *Bible*, of course, serves as our guide. The Apostle Paul's words for the church in Corinth (1 Cor. 12:12-27) are a must read to understand we are to be people of unity—peacemakers in a world that seeks to divide people from one another. Paul reminds the church that we are both united as one (the body of Christ) and diverse (composed of many diverse individual members). Have you and I ever thought of ourselves as unique members of the church, each with a special role to play that nevertheless contributes in important ways to the good of the whole body? If so, we are thinking very biblically! In the same way, when we experience division (which is a normal part of human life experience), we are “re-membering” the Church when we resolve our differences to maintain peace and unity. We are keeping the whole body intact.

Speaking of members, rejoice with me that four of our young people will be joining the church on a couple different Sundays in June. Two who were baptized as infants are joining through Confirmation, which is to say they are confirming (by their own public profession of faith) the covenant promises made by God, their parents, and their church when they were baptized. And another two are being baptized and professing their faith. These are exciting moments in the life of our Cordata family of faith as the one body of Christ grows new members.

In a similar way, Cordata Pres is a member of a larger body. Regionally, we are members of the Northwest Coast Presbytery; nationally, we belong to the Presbyterian Church, U.S.A. Just as individual persons compose a local church body, each individual congregation is connected to other member congregations, which together make up the greater body of Christ. Since our national church's General Assembly meets every even-numbered year, this is a summer when we are likely to become more aware of the diversity and potential divisions within our national church. Are we prepared to re-member, to work towards the peace and unity Paul prescribes, while also keeping the purity of our Biblical faith? By God's grace and truth, we can!

Together in Re-membering,
Pastor Greg

Joy and Peace

By Carol Lawrence

The day I took this photo my favorite kayak buddy and I were out paddling on Lake Whatcom. Some days we have a specific destination in mind — south to the less developed part of the lake, or maybe a circular route around Reveille Island in the middle of the lake. Earlier in the summer, another friend went with us. She had been a babysitter for a family who lived farther north on the west shore of the lake. She wanted to see their house, for the sake of reminiscing about fun times with the family’s children, so we paddled north to their neighborhood. That day was gloriously warm and sunny.

On this day, later in the season, it was just the two of us, on a chilly, cloudy day. We had traded our sunglasses for rain jackets. We had no idea which direction we might take. Aimless paddling seemed the best plan (or non-plan). So we chit-chatted about our summer travels, time with family, and before we knew it, we were all the way across the lake. It’s farther than we usually paddle, and as we were returning the wind came up (in our face, of course) and white caps slowed our progress. The trip back was harder and slower than we had expected.

And yet, that day was my favorite paddle of the season. As I reflected later, I saw several reasons it had seemed so special. First, we were totally at leisure. No time commitments limited the time we could spend on the lake – we had nowhere “important” to be. Second, we were comfortable with each other. We’ve paddled together often, in good weather and bad. Our conversation wandered to family concerns, plans for travel, and eventually to faith issues – nothing deep, just sharing. Finally, and perhaps most importantly, we were not trying to “accomplish” anything.

So on that chilly, cloudy day, paddling against the wind, we found both joy and peace. Our God promises both, and we need to be alert for them to appear in unexpected places and times. As the apostle Paul wrote to the Romans:

*May the God of hope fill you with all joy and peace
as you trust in Him so that you may overflow with hope
by the power of the Holy Spirit. (Romans 15:13)*

Amen.

Booklovers Book Club Will Not Meet in June - Next Meeting July 24th

The Book Club will not meet in June, as many of us will be off enjoying some summer travel. The group will gather at Carol Lawrence’s house at 1p on July 24 to discuss *Everything Happens for a Reason And Other Lies I’ve Loved*, by Kate Bowler. The book is a New York Times bestseller, described as “a meditation on sense-making when there’s no sense to be made”. All are welcome.

For more information, contact Carol at cmlawren@gmail.com.

CPC Kids Clubhouse Catch Up

CPC Kids Clubhouse - We've had an extra full classroom lately with the addition of some older kids joining the Sunday Morning Clubhouse. We are super happy to have them!

In June we wrap up Unit 14 and begin a new study volume. **VOLUME 6 - PROPHETS AND PROVISION:** During the next three months

or so, lessons will focus on how God is worthy of trust and obedience. God's people repented, returned to the land, and rebuilt the temple. Yet, the people still longed for hope and freedom. Kids will see God's plan, that hope was coming in the form of a person: Jesus. This study unit has some of the classic Bible stories that are super engaging: Daniel and the Lion's Den, the Fiery Furnace, Nehemiah rebuilding the wall, Esther, and others. The kids will really enjoy Sunday Clubhouse time. (See more photos on page 7.)

KEY PASSAGE: 1 Corinthians 10:31

BIG PICTURE QUESTION: How can we glorify God?

ANSWER: We can glorify God by loving Him and obeying Him.

June Lessons:

Unit 15 lessons: Judah Was Taken Captive (2 Chronicles 36), Ezekiel Gave Hope (Ezekiel 37)

Unit 16 lessons: Daniel Obeyed God (Daniel 1); Shadrach, Meshach, and Abednego (Daniel 3)

Clubs 4 Kids (C4K) - Club attendance was on the low side the first week in May, but that was not the case for the rest of the month. Youth Group kids have been coming more regularly and doing a great job participating and sharing. Three middle schoolers saw the free *Bibles* on the table near the library and asked if they could have one. We said, "YES" (of course). We encouraged them to write their names and the date inside the cover. They were all very excited to have their own *Bible*. Their enthusiasm and questions about where to begin reading was a very special moment for us C4K leaders. Seeing these kids consistently inch closer to a personal relationship with Jesus is heartwarming and encouraging.

During the "Roses and Thorns" sharing time, one group's "extra question" was "what are you looking forward to as the school year comes to an end?" ... everyone answered that they were excited for Fun in the Sun! **Final C4K day of the school year is Thursday, June 4th.** (See more photos on page 10.)

FUN in the SUN (F.I.T.S.) 2026! Preparations are in the works. The entire *Bible*, all 66 books has been split into 9 weeks/18 lessons for our Route 66-themed story time. Crafts that complement each lesson have been planned and supplies are being gathered.

What we need now is YOU!

We encourage you to pray for this program and consider volunteering for one or more days this summer. The more helpers/leaders – the more fun and more smoothly the program runs. No experience is needed. While there are indeed specific tasks (like running the lemonade stand), we ultimately would like CPC folks to just come and engage with whoever (kids/parents etc.) comes to F.I.T.S. We've had many interesting faith-based interactions with kids and adults over these past few summers. These 9 weeks are not only just about having "fun in the sun", they are about sharing the love of "the SON" fun!

Adult Education Class ~ 9a in the Chapel and on Zoom

Discover the transformative power of living the Beatitudes. This six-week video series, *Becoming Like Jesus*, uses the Beatitudes in Matthew 5 to articulate the lifelong process of progressive sanctification, where the Holy Spirit uses our ups and downs—our triumphs and our tears—to shape us. God isn't looking for a polished version of you; He is calling you into a deep, transforming relationship where He uses every season to mold you into who He created you to be.

Join in this journey as we explore the lifelong process of becoming more like Jesus.

Fellowship News

After worship on **Sunday, June 14th**, is the date set for the **annual picnic and Bi-Annual Congregational Meeting**. We will be enjoying an indoor picnic in the Family Life Center where we will hear how we are progressing as a church and will celebrate all of our wins. **(Coffee and cookies after worship will be replaced by lunch.)** Plan to stay after church and join the Cordata Church family for fried chicken and great healthy side dishes. Of course there will be dessert!!!

The kitchen has replaced most of the cookware with a large set of stainless steel, 3-ply pots and pans with lids. Hopefully this leads to more hospitality of the edible type.

Lunch Bunch will be offered once per month so we can get to know one another in a warm inviting setting, and no cooking. Ask a person you would like to get to know to join you. Look for sign-up sheets at the table under the information bulletin board in the foyer.

The Chosen, Season 2, Viewing & Discussion Group Has Ended for the Summer

Our thanks to John Risser for organizing and leading the viewing and discussion of *The Chosen*, Seasons 1 and 2. And a special thanks to Rob Gibbs for helping facilitate Season 2. If you are interested in watching Season 3 with this discussion group in the fall, please let John know. Also, John has links to all 16 episodes of Seasons 1 and 2 of *The Chosen* if you or a friend would like to catch up on anything you may have missed.

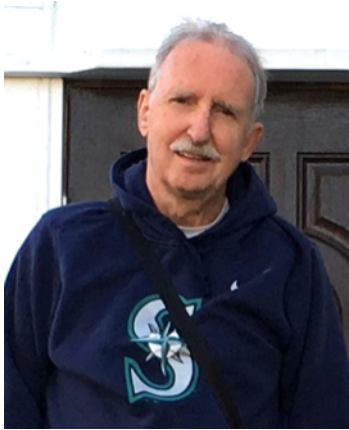

So look for more information about future plans for viewing and discussing *The Chosen*, Season 3, in September.

Landscape Work Party - June 13th, 9a - Noon

Plan to join us for our next Outdoor Clean Up, as we get ready for CPC's outdoor, summer events. Please bring rakes, tarps, 5-gallon buckets, weeding tools, gloves, etc., if you have them. Remember: "Many hands make light work."

Sign up in the foyer so we will have an idea of how many will attend. Any questions? Contact Doug Cowgill.

Remembering Thomas Macy Ross

July 31, 1948 - May 9, 2026

(Reprinted from Dignity Memorial - www.dignitymemorial.com/obituaries/seattle-wa/thomas-ross-12877149)

Thomas "Tom" Macy Ross was born July 31, 1948. The oldest son of his parents, David and Helga. He grew up outside of Detroit, MI, for his first nine years before moving to Pittsburgh, PA. He had three younger sisters, Henrietta (Henri), Alice, and Rachel.

Tom was very intelligent, an Eagle Scout, and avid runner. He graduated from Phillips Exeter Academy in 1966. He moved across the country to Stanford University, graduating in 1970. Tom felt called to ministry and graduated from the San Francisco Theological Seminary (SFTS) in 1975. He became an ordained

minister in the Presbyterian Church (PCUSA).

While in the Bay Area Tom met Judi, a woman who had graduated from the same seminary. They married in 1977. Tom and Judi adopted their daughters Elisabeth and Lydia while Tom was serving a three-church circuit in rural Nevada: Wells, Lamoille, and Carlin. Tom and Judi moved to Berkeley, where Tom started a doctorate in ministry at SFTS. At the same time, he worked to distribute the computer software Nota Bene by Dragonfly, an early word processing program. Tom and Judi divorced, leaving Tom with primary custody of his 8- and 6-year-old daughters.

Tom's best friend and former roommate, Pat Patterson, was a church choir director in Seattle who introduced Tom to one of his choir members, Sher. A relationship blossomed between Tom and Sher despite it being long distance, and they were married in 1991. Tom and the girls moved to Bothell, WA. Sher at the time owned the Secret Garden Children's Bookshop, and Tom worked on Bible translation fonts at Linguist's Software while also pastoring at Concrete Presbyterian, about two hours north of Seattle.

After Elisabeth's graduation, the family moved north to Acme, WA, and Tom became the pastor at Deming Presbyterian. Tom finished his doctorate in ministry in 2009 from Bakke Graduate University. He loved to learn! Tom and Sher retired to Bellingham, WA.

Tom enjoyed astronomy, learning new languages and knew a lot about a lot of things, including random trivia like; "What state has the longest name?" He loved to serve his church community and was actively involved in several ministry projects through the years, including multiple church mission trips to Mexico. Tom is preceded in death by his parents, David and Helga and his sister, Alice. He is survived by his wife, Sher; daughter Elisabeth and her husband Karl; and daughter Lydia. He also had three grandchildren he dearly loved — Emerald, DJ, and Sage. He is also survived by sisters Henri and Rachel, and many other friends and family who loved him.

Tom had a kind and gentle spirit which endeared him to so many. He will be greatly missed!

For those wishing to do so, the family would welcome memorial contributions to Cordata Presbyterian Church (Bellingham, WA) or a charity of your choice.

Dunamis Essentials: Listening Evangelism ~ Online Class

Have you ever said, "I am not an evangelist, that is not my gifting"? The Holy Spirit is here to help us and lead us to talk with people. This is not about going and knocking on someone's door and giving them a sermon or a tract. This is praying and listening to what the Holy Spirit wants us to do and then doing it. Does He want you to talk to that person in Walmart that is wearing a red shirt? Does He just want you to call someone? Did a name come to mind in the middle of the morning or night? Maybe the Spirit is prompting you to call them. This is what Listening Evangelism is about.

Do you want to learn more? You are invited to attend the Dunamis Essentials 6 Listening Evangelism online course June 3rd through 6th. Times are Wednesday—Friday (June 3rd—5th) 6-9p Pacific Time; Saturday (June 6th) will be 8:30a to 12:30p Pacific Time. The cost is \$20.00. The registration link can be found at cordatachurch.org/christianeducation.

Remembering Dorothy Lee Benner

September 6, 1933 — May 4, 2026

(Reprinted from Westford Funeral Home Website -
www.westfordfuneralhome.com/obituaries/dorothy-benner)

Dorothy Lee (Brown) Benner passed away at the age of 92 on May 4, 2026. Dorothy was born in a house on Sunset Drive in Bellingham on September 6, 1933, to Frank and Ethel Brown. She was the youngest of 10 children. Dorothy was quite the tomboy growing up on East Victor Street. She loved to climb trees and wear military uniforms gifted by her older brothers. She graduated from Bellingham High School in 1951. After graduating she worked at Sears in downtown Bellingham in the payroll department. Dorothy married the boy who lived across the street, Gordon Benner, on July 31, 1954. They purchased a home on Cedarwood Ave, which they owned for 69 years. Dorothy and Gordon raised four children in the house on Cedarwood.

Dorothy was a very talented secretary and bookkeeper and worked part time for Allstate and then Birchwood Presbyterian church. She was also very active in PTA at Birchwood Elementary and Shuksan Middle School, being awarded the Golden Acorn award twice. She also volunteered with Camp Fire, The BHS Class of 1951 reunion committee, The USS O'Bannon Reunion organization, and the Bellingham Police Wives association. Dorothy was also a member at Birchwood Presbyterian Church and in retirement volunteered there for many years.

Gordon and Dorothy loved to go camping, and their grandchildren have wonderful memories of camping adventures including 30 years of Labor Day camping at Newhalem Creek campground. They also traveled all over the US attending O'Bannon reunions. Dorothy also made many friends as a Mall Walker at Bellis Fair. Dorothy deeply loved her family and friends. She excelled at being a mother, grandmother and great grandmother. She was known as having the "Hallmark gene", as she was so on top of sending cards to family and friends. Dorothy loved to visit with neighbors and friends, and her children remember begging her not to talk to so many people in the neighborhood Albertsons.

Dorothy was preceded in death by her parents; all her siblings: Leona, Alice, Frank, Del, Alvin, Malcom, Owen, Bob and Gloria.

She is survived by her husband of 71 years, Gordon, and her children: Curtis (Mary) Benner of Kent, Robin (Mark) Maass of Lynnwood, Allyson (Gordon) Vlas of Ferndale, and Kim (Adam) Carter of Everson. Her grandchildren: Whitney (Eben) Dygert, Matt (Juliet) Kennedy, Kelsey (Sid) Khound, Josh (Melissa) Benner, Aimee Jiang, Tim Maass, Elizabeth Benner, Christine Benner, Tanner Tutterrow, Taran Tutterrow, Aaron Carter, and Casey Carter plus 3 great grandchildren; Jensen Benner, and Niva and Thea Khound – with a fourth due on her birthday.

Our family would like to thank the staff at Orchard Park Assisted Living for their wonderful, loving care for almost 4 years. Plus, Home Instead and Hospice of Whatcom County.

A memorial service will be held at Cordata Presbyterian Church (formerly Birchwood), 400 Meadowbrook Court, Bellingham, on Friday, June 12 at 11am. In lieu of flowers, memorial gifts may be made to Cordata Presbyterian Church or Hospice of Whatcom County.

Mission Team Highlights:

Joy in Serving & Relationship Building

(Reprinted from Frontline News - Hope of the Pokomchi Newsletter - May 2026 - ASOSAP)

In March we had a team of fourteen from Cordata Presbyterian Church. It was a beautiful time filled with blessings, friendship, and much learning & growth....

The trip was two years in the making, with much excitement and planning. We looked forward to seeing longtime friends and making new ones. You can imagine our concern when we received word from the team that there was a big problem... their first flight was delayed and they weren't sure if they'd make the other connections needed to arrive in Guatemala.... There were much relief and happiness when we met the team

Guatemala Mission Report continues on page 7.

at the airport. Through God’s grace, the [Cordata] team and Rebekah [ASOSAP Cultural Liaison for International Teams] headed to San Cristobal. We knew God had great things planned during the mission trip and had a purpose for each team member...

So, what occurred during the team trip? We can confidently say that all mission goals were met...

We did these activities together:

- Visited PokoMaya Artisans
- Built 5 latrines for families in the village of Chisiram
- Built 2 latrines for chronic patients (Husband/Father with Epilepsy & 15-year-old with Muscular Dystrophy & family)
- Taught an English Class at a local public school – 71 kids
- Conducted a 5-day VBS at the church in Chisiram – 53 kids
- Held Christian Peer Counseling Education for Pastors & Nurses

... this was the first time we’ve done a formal VBS! We used Trueway Kid’s Spanish version of the program called “God made”....Through songs, crafts, games, Bible time, and quiet/prayer time, the kids learned each impactful and transformative topic. They received much love and had a lot of fun. So did we, the team, and the church leaders who assisted! They said that they gained valuable knowledge and skills and will use them as they continue in children’s ministry at their church...

Also, a first for us! In total, thirty participants received impactful education that strengthened their abilities to come alongside those they serve. It gave them practical tools, to use as they reach out to others in their communities. The importance of physical, emotional,

and spiritual self care was emphasized as their well being is key to providing effective support to others. Within the theme, they were reminded that they cannot be super pastors/nurses that help everyone; that they aren’t meant to carry all the burdens and need to let go of those that they weren’t called to carry. They were encouraged that God will guide them in this. They learned how they can ethically and without judgement support people in difficult situations such as abuse or addiction and were given local resources to share with those in need. As well, some pastors are doing chaplain training, and this education was a great compliment to [their training]. They also left with a comprehensive written guide to refer to as they work with others.

These are just a few of the highlights and beautiful moments. All learned about the importance of prayer, of community, and working together as the body of Christ – each one using their God given gifts and supporting each other, and God’s power – He has power over everything and can make anything happen.

Remembering CPC's Pursuit of "Resilience"

Cordata Presbyterian Church has been awarded a \$10,000 grant from the Lilly Foundation through Whitworth University's Resilient Church Project.

The church first became aware of the availability of the grant in the spring of 2024. Six CPC members were recruited to participate in the two-year project to prepare the church to apply. The grant was offered to participating churches to prepare them for the challenges ahead for future generations of Christian leaders. Cordata was one of eight churches participating.

Cordata's team thought it might be interesting and helpful for the entire congregation to help it look back at some of the memorable parts of the effort to secure the grant and provide more detail about what's inside it:

Remember?

- The very long, butcher's paper stretched across the church foyer after a Sunday service provided for congregants to mark historical milestones for the church?
- Intern Olivia Larinan, a Whitworth student, who spent the summer of 2024 with us to help us to get to know more about ourselves through interviews and daily journals
- Three, 2-day retreats for the Resilient Church Team.
- Three, well-attended round-table discussions for updates on project progress and to gather additional input.
- Numerous Zoom meetings and on-site visits with the Resilient Church Project staff at Whitworth University.
- Bi-monthly meetings of the Cordata Resilient Church team itself to gather information, digest it, and make sure the project moved forward.

It all paid off. Here's how:

- We've learned that quality communications are the "front door" to our church. To that end, Cordata Church plans to contract with a company called Worship Times. It is a company founded by web designers, seminarians, and pastors who are devoted to creating a community dedicated to helping churches access high quality websites, logos, print design, social media, and on-line communications for their ministries. It has done so successfully for 20 years. Worship Times is designed to develop a communication strategy that will serve CPC's ministries. A special group within the church, as yet to be determined, will work with Worship Times to guide development of the communication strategy.
- While the greatest share of the grant will be spent on communications, it is only one of two points of focus. The other is to clarify and further develop CPC discipleship efforts. The initiative is titled "Pathways" and is an important way to systematically develop committed Christians for discipleship and to find the best way for them to serve the Lord and the church. The primary responsibility for "Pathways" is with the current Discipleship Committee, although broader involvement will be sought.

The initial part of the Resilient Church Project has come to an end but now the next phase begins. This summer will be spent in preparation for work on the communication strategy and "Pathways" and organizing and orienting groups and individuals for implementation. Work will begin in earnest in September.

Is Money Evil — Are We Owners or Managers?

by Gregg Block

Have you heard some say that “Money is the root of all evil”? Some have said that’s in the *Bible*. It’s not. While there are over 2,300 verses in the *Bible* about money, finance, and possessions, money is not an end to itself. Is money a necessary evil—or is it a gift from God?

1 Timothy 6:10 (NIV) tells us ***For the love of money is a root of all kinds of evil.*** Money is an inanimate object. It’s like a brick that can be used to build a building or can be thrown at a window to destroy it. It’s how we use it.

Money is part of God’s good plan for the world, and I believe God wants all believers to use it well. But in our expression of “free will”, it’s ultimately in how we use this gift from God. God’s Word has many promises and warnings. Here are a few to think about.

Honor the Lord with your wealth and with the first fruits of all your produce; then your barns will be filled with plenty, and your vats will be bursting with wine. — Proverbs 3:9–10

Riches do not profit in the day of wrath, but righteousness delivers from death. — Proverbs 11:4

Wealth gained hastily will dwindle, but whoever gathers little by little will increase it. — Proverbs 13:11

The rich rules over the poor, and the borrower is the slave of the lender. — Proverbs 22:7

He who loves money will not be satisfied with money, nor he who loves wealth with his income; this also is vanity. — Ecclesiastes 5:10

No one can serve two masters, for either he will hate the one and love the other, or he will be devoted to the one and despise the other. You cannot serve God and money. — Matthew 6:24

If then you have not been faithful in the unrighteous wealth, who will entrust to you the true riches? — Luke 16:11

But if anyone does not provide for his relatives, and especially for members of his household, he has denied the faith and is worse than an unbeliever. — 1 Timothy 5:8

Keep your life free from love of money, and be content with what you have, for he has said, “I will never leave you nor forsake you.” — Hebrews 13:5

Do not lay up for yourselves treasures on earth, where moth and rust destroy and where thieves break in and steal, but lay up for yourselves treasures in heaven, where neither moth nor rust destroys and where thieves do not break in and steal. For where your treasure is, there your heart will be also. — Matthew 6:19–21

You shall remember the Lord your God, for it is he who gives you power to get wealth, that he may confirm his covenant that he swore to your fathers, as it is this day. — Deuteronomy 8:18

The earth is the Lord’s and the fulness thereof....— Psalm 24:1

So how should we think about money, finances, and possessions? God calls us to be stewards. And if He’s the owner, that means we’re not. Instead, we’re His stewards—His managers. Stewardship is managing God’s blessings God’s ways for God’s glory. God commands us to be stewards over everything He blesses us with. That means our time, talents, treasure (money), relationships, jobs, and, yes, stuff. It’s all God’s, and He trusts us with it. It’s both an honor and a serious responsibility! Please take some time to think about our blessings and the “stuff” God has entrusted us with. May we be the stewards God calls us to be!
